

JA Inspire®

Presented By:

May 10th, 2023

Glass City Center (Downtown Toledo)

Students Discovering Career Pathways

A **free** event that engages 8th-12th grade students in hands-on, experiential exhibits with local companies, exposing students to career opportunities available, creating connections, and helping to inspire them toward a pathway for future success.

PART I : IN-SCHOOL CURRICULUM

- 3 Teacher led sessions
 - Informational Interviews/Pitch Perfect
 - How to Make the Most of JA Inspire
 - Review & Make a Plan (Part III)
- Prepares students for what to expect at the event and how to enhance the experience
- Increases student engagement by showing up with a plan to create their future success stories

PART II : ATTEND THE EVENT

- Make bussing arrangements with the JA Education team that best fits your schedule
- Event occurs from 9:00am-2:00pm
- Attend the event for up to 2 hours
- Students actively engage and communicate with identified companies of interest
- Participate in activities with companies to learn about future career opportunities
- 11th & 12th grade students can sign up for Job Shadow Experiences throughout the 2023-2024 school year with various companies

PART III : IN-SCHOOL (AFTER EVENT)

REVIEW AND MAKE A PLAN

Students will discuss the JA Inspire event and work towards developing a plan based on their experience

STUDENT OUTCOMES + EXPERIENCES

- Connect graduating high school students with immediate career employment opportunities
- Connect college-bound students with companies to expose them to future careers
- For 11-12th grade students; opportunities to interview for internships & available jobs
- Expanded knowledge of all career clusters and pathways to success
- Increased awareness of post-secondary education and/or skills required
- PITCH PERFECT Challenge: Students are encouraged to prepare an elevator pitch to compete in front of HR professionals for a chance to win a \$25 Amazon Gift Card! If 11th & 12th grade students bring a resume, they may have it reviewed as well
